ern Europe during the autumn. The baileon in question, which will be called the "Atlantic," will be about 200 feet in height, and have a cubic measurement of 25,000 metres. It will only weigh about 4,500 English pounds avoirdupois, and with the car, rigging, passengers, and appuratus about double that amount. The car will be square, and will be divided midway by a wooden being connected by a ladder. M. Jovis, who will be accompanied by M. Paul Acone, Lieutenant Mallet, M. Charpentier, and two other passenland in Norway or Sweden, if not in Ireland, in ceivable accident is believed to have been providdetailing her offence, and warning other people ed against. M. Jovis does not hope that the schome will have any immediate practical result.

A correspondent of the British Medical Journal (Surgeon W. T. Black) makes the folin a mortnery chapel, at Tien, Ts'un, and to lowing interesting remarks on the injurious be watched night and day by soldiers. One effect of tea on the teeth :- Some years since, month later, on 27th June, 60 Lama priests when on duty at recruiting stations in the North were to chant prayers or masses for 7 days; of England, I took observation on the great from the 2nd day of the 5th moon, masses amount of disease and loss of the teeth existing would be said for another 7 days; and from the amongst the class of mon offering thomselves. 17th day of the same month (July) for a third It became a cause of rejection of itself in great numbers. As far as my inquiries went I was At Kao-yu (Yangchow) when a widow marries led to trace it to the excessive tea-drinking again, she first presents the temple of the Tutelary | indulged in by the working classes in the manumarry again are threatened in the next world, of the upper classes, it was found to exist to an injurious extent in the working classes long before that time. Tea seems to have a peculiar fendency to cause hypersemin in the tooth sacs, leading to inflammation and, eventually, abscess of the fang, with, of course, dentralgia at every stage. Whether this special tendency was due to theine or taunin having an elective affinity for dentine it is not possible for me to say. It would be curious to know if medical men, practising in such manufacturing districts, had observed the deterioration of teeth to be coincident with tea-drinking.

A dinner has just been given by a New York lady which is reported to have cost more for plate than any previous entertainment. The contract price was a hundred and seventy-five dollars for each plate. The enterer sent to Florida and to Central and South America for ferns, palms, ivy, mandarin trees, and other decoration. For truffles he sent to France, and strawberries, arranged in bouquets of five berries each, cost seven dollars and fifty cents per bunch. The table was arranged about a miniature lake, in which palms, lilies, and ferns appeared to be growing, while tropical trees rose from the banks amid miniature parterres of flowers. Small He was proposing to a pretty girl, and, as she electric-lights with vari-coloured globes were besitated, he urged his suit thus: "Dear Julia, arranged about the lake, and electricity was introduced under the water of the improvised lake of the lake, and a coloured glass ball, lighted by electricity, spurted up and down a jet of crystal In Algeria insect creation takes alternate water. There was no cloth on the table, and

MAILS BY THE FRENCH PACKET. The French Contract Packet Sindh will be despatched on THURSDAY, the 21st inst., with Mails to the United Kingdom, Europe, and places beyond, via Marseilles; to Saigon, Straits Settlements, Batavia, Barana, Ceylon, Madras, the Australasian Colonies, Aden, Natal and the Cape, Egypt, Malta, and Gibraltar. The usual hours will be observed in closing

the Mails, &c. The Post Office-declines all responsibility for Unregistered Covers containing Bank Notes. Coin, or Jowellery, and where Registration has been neglected, will make no enquiries into alleged loses of such covers.

HOURS OF CLOSING THE ENGLISH AND FRENCH MAILS. When the Packets leave at Noon.

The following hours will be observed in closing the mails for Europe, &c. by the English and French Packets, when they leave at NOON. The Money Order Office will be closed at 5 P.M. the day before. 8.00 A.m. - Posting of Prices Current and Circulars ceases. (Prices Current and Circulars may however be

posted up to 10 o'clock if they are tied in bundles, country by country, with the addresses all one way.)
10.00 A.M.—Registry ceases.

A.M.) with 10 cents late fee up to 11.30 A.M.

Cargo and Specie will be registered for Lon- lafter which hour they may be sent on board with the same late fee. SOLDIERS' AND SAILORS' LETTERS. (1.) Privates in H. M. Army or Navy, Noncommissioned Officers,\* Bandmasters, School-

masters (not Superintending or First Class) Writers, or School-mistresses may send halfounce letters to the United Kingdom by the English Mail at the rate of two cents (one penny) each, or by the French Mail at the rate of four cents (two pence) each. The postage must be prepaid in Hongkong Stamps. (2.) To other places not beyond Great Britain, such as India, Maita, &c., the postage is 2 cents

(3.) The same privileges apply to letters addressed to the Private and Non-commissioned Officers named above. (4.) The letters must not exceed half an ounce No handkerchiefs, jowellery, &c., can be sent

even with the ends open. (5.)—If from a Soldier or Sailor his class and description must be stated in full on the letter the cover of which must be signed by the Commanding Officer, with name of regiment, ship, &c. in full. If to a Soldier or Sailor, his class and description with name of regiment, ship, &c., must be stated in full.

(6). Soldiers and Sailors have no privileges with regard to books or papers. \* But not Warrant Officers. Assistant Engineer s. Gunners, Boatswains, or Carpenters.

TEA MUSTERS. Persons who send Musters of Tea through the Post in Tine are requested to have them. made flat or square instead of round, as it is impossible to pack round tins securely in the mail bags. It is believed that the tea will travel more safely in flat tins, which are not so liable as round ones to be bulged in. 4 by 3 by 14 inches is suggested as a good

POSTAL NOTES. 1.—Postel Notes of the values named below pavable within three mouths at any Post Office in the United Kingdom, or at Constantinople; can be obtained at Hongkong or at any British Office). Contents and Value of Packages are Post Office in China (except Hoihow and Tientsin) at the following prices, which include Commission:-

.\$6.80

All money orders on the United Kingdom for even sums not exceeding £5 applied for at Hongkong or Shanghai will be issued by means of these Notes. 2.—The purchaser of any Postal Note must fill in the Payee's name before parting with it.

He may also fill in the name of the Office where payment is to be made. If this is not done the note is payable (within three months) anywhere in the United Kingdom, or at Constantinople. Any Postal Note may be crossed to a Bank. 3.—Postal Notes should always be forwarded in Registered Covers. If this precaution is not. taken no enquiries whatever will be made

as to the loss or alleged loss of any Note. 4.—Postal Notes issued in the United Kingdom are not payable in Hougkong or China.

ETTERS FOR THE UNITED STATES BY SAILING When it is desired to forward letters to the United States by a sailing ship which is not notified as carrying a mail, it is only necessary to post the letters in the ordinary way, marked with the name of the ship, and prepaid 10 cents per half ounce as usual. The Post Office then undertakes the duty of obtaining notice of departure and despatching the correspondence. It is requested that the letters be posted if possible

t least one day before the date fixed for sailing

No responsibility can be accepted by the Post Office for erroneous replies to verbal enquiries. or to notes addressed to subordinate officers. The shroffs told off to sell stamps should especially not be regarded as able to give correct information. The Postal Guide alone is the standard on all points on which such information [296 may be required.

THE LEGACY OF CAIN. BY WILKIE COLLINS, AUTHOR OF "THE WOMAN IN WRITE,

THE EVIL GENIUS," &c., &c. [ Now First Published.] CHAPTER XLIV.

RELATED BY THE GOVERNOR. waited with some curiosity to see whether | elena | to control him in any other way, I have consent- an effort in doing it. would let her anger honestly show itself, or ed to this But I must not allow you to place whether she would keep it down. Her hand yourself in what may be a disagreeable position, trembled as she took up the letter from the table; without a word of warning. Judging by his the expression of her brilliant eyes hardened until tones and his looks, he seems to have no very they looked absolutely hideous-but she kept it friendly motive for wishing to see you."

down. was uppermost, neverth less, when Miss Grace- never endure suspense, I offered to go at once to dien expressed herself in these self-denying terms.) "You are no doubt anxious to know if to say one word more: L'hilip's father has been won over to serve your

to read." An occentric philosopher is as capable as the bopeful course to take is to let him have his own most commonplace human being in existence of way. Pray remember that. I will be within behaving like an honourable man. Mr. Dunboyne | call, in case of your wanting me." road the letter which bore the Minister's signature, and handed it to his sou. "Can' you answer that ?" was all he said. Philip's silence confessed that he was unable to answer it-and Philiphimself. I may add, rose accordingly in my estimation. His father pointed to the writing desk. "I must spare my cramped hand," the philosopher resumed, "and I must answer Mr. Gracedien's letter. Write, and leaven place for my signature. He began to dietate his reply. " Sir,-My son Philip has seen your letter, and has no defence to and agree with you, shall be done. At the age which this young man has reached, the laws of England abolish the authority of his father. If he is sufficiently infatuated to place his honour and his happiness at the mercy of a lady who has behaved to her sister as your daughter has behaved to Miss Eunice. I warn the married complenot to expect a farthing of my money, either during my lifetime or after my death. Your faithful servant, DUNBOYNE, SENIOE." Having performed his duty as secretary, Philip received his dismissal: "You may send my reply to the post," his father said; "and you may keep Mr. Gracedieu's letter. Morally speaking, I regard this last document as a species of mirror, in which a young gentleman like yourself may see how ugly he looks." This, thilip declared, was his father's form of farewell, literally reported. He that is to say, the original letter composed by pretend to be modest: don't turn your back, now me, and signed by the Minister, and a copy of you are old, on what you were in the prime of knew her by her likeness to her mother. Is that Mr. Danbayne's reply. "What we are to do your life. Do you own that I am right?" next," the helpless lover confessed, "is, I deeply indeed he had an object—it was impossible to regret to say, more than I can tell you. Affec-

tionstely yours: P." I handed back to Helens the letter and the sinister silence, she opened the door and left me alone in the room. That Mrs. Gracedien and I had met in the byeof it-had met in secret, would now be made

known to the Minister. Wan I to blame for y good friend, having shrunk from distreby telling him that his wife the privately consulted mo on the means of removing his adopted his information, he had not been deceived. child from his house? And, even if I had been. ernel enough to do this, would be have believed my statement against the positive denial with would have certainly met it? No! let the consequences of the coming disclosure be what they ! might. I failed to see any valid reason for regret. Inxury-profligates who gratify their passions ting my conduct in the past time. I found Miss Jillgall waiting in the passage to

"Holena frightens me," she said. " I met her on her way upstairs. Oh, dear sir, what dreadful thing have you done?" I told her how Mr. Dunboyne had answered the Minister's letter, and how I had been dis-

covered as the writer of it. No characteristic outbreak of rejoicing over the obstacle to Philip's marriage followed on this occasion. The little woman trembled as she confided her fears to mo in a whisper. Helena was bent on revenge. Had I any idea of what she would do? philosophy, and only answered: "Let us wait, themselves in his actions. He put the object been appointed to a new circuit.

that I had discovered in his hand into the pocket "The you mean to tell me" he and see."

There was a sharp ring of the bell at the house

doctor. I told her I was anxious to speak to him on the subject of Mr. Gracedieu's health. She sacred man, and has a horror of crime. You are introduced me to Mr. Wellwood, as an old and safe, so far-provided you obey me. I have a dear friend of the Minister, and left as together solemn and terrible duty to perform. This i in the dining-room. I was disappointed in the net the right place for it. Follow me downstairs. doctor. His face was lumpish; his clothes were badly made; his big hands looked as if they had the passage, was not near the stairs, and so been employed in manual labour, at some former time. I had often seen such a man, in the streets, whispered. In the same guarded way, I said : superintending workmen employed on building

"What do I think of Mr. Gracedieu ?" he said. repeating the first question that I, put. "Well, sir, I think badly of him." Entering into details, after that ominous reply.

Mr. Wellwood did not hesitate to say that his patient's nerves we recompletely shattered. Disease of the brain had, as he feared, been already set up. " As to the causes which have produced this lamentable break down," the doctor continued, "they seem to be plain enough. Re. to me. member that Mr. Gracodion doesn't read his habit of preaching extempore, twice a day on from the horrid ordeal, and, if I could open the Sundays, and sometimes in the week as well. If | door, might try to get away. Escape is imposyou have ever attended his chapel, you have seen sible now. We are prisoners together. But a mun in a state of fiery enthusiasm, feeling don't suppose that we are alone. There is a third intensely every word that he utters. Think of person present, who will judge between you and such exhaustion as that implies going on for me. Look there!" years together, and accumulating its wasting Add that he is tormented by personal anxieties. ed, representing the tace in a "three-quarter" one poor means of guarding myself that I could friend of his kinsweman, to enter his house, at laid my hand on it, and kept my eye on the very time when he was a helpless man, are; a dector's duty, as I understand it, is, to art it was contemptible; but as a likeness, it and are; a dector's duty, as I understand it, is to art it was contemptible; but as a likeness, it au him. keep strictly within his professional limits. I swered its purpose. My unhappy friend stood only allude to Mr. Gracedieu sanxieties because before it, in an attitude of dejection, covering they have largely increased the mischief-and the sum of it all is that a worse case of its kind, In the interval of silence that followed, I was I am truly grieved to say, has never occurred in reminded that an unseen friend was keeping

Was it possible that I had been foolish enough to form an unfavourable opinion of this man, merely because his personal appearance had failed to please me! It would have been a relief to my feelings to have begged his pardon, if I could have ventured to confess how rashly I had judged him. Before he left me to go to his patient, I asked leave to occupy a minute more of his time. My object was, of course, to speak about Ennice.

to Mr. Wellwood. He smiled good-humouredly. before I returned my reply, showed that his at- "Your turn now," he said—and rushed at me that interesting girl," he said. When she com- suspected, I, in my turn, slipped the card under chair at his right arm. The razor dropped on plained to me at her age! -of not being able to the door. sleep, I should have taken it more seriously, if I The slow minutes followed each other and little soul. Love-troubles, most likely—but don't My anxiety to see how the doctor's search for any other way I would have a likely—but don't likely likely—but don't likely like forget that my professional limits keep me in the the key was succeeding, tempted me to approach with my free hand I seized him by the throat; dark! Have you heard that she took some the window. On my way to it, the tail of my forced him back; and held him against the wall. Cover for the whole Continent of Europe composing medicine, which I had prescribed for her father? The effect (certain, in any case, to be injurious to a young girl,) was considerably aggravated by the state of her mind at the time. fall was, it disturbed Mr. Gracedieu. He looked A dream that frightened her, and something round vacantly. resembling delirium, seems to have followed. And she made matters worse, poor child, by writing in her diary about the visions and supernatural appearances that had terrified her. the portrait once more. "My hands must not lock, and saw the doctor at the open door.
